

# SUPPORT ACT'S ENVIRONMENTAL PROJECTS JUST BY FILLING UP WITH FUEL AT SELECTED GARAGES!

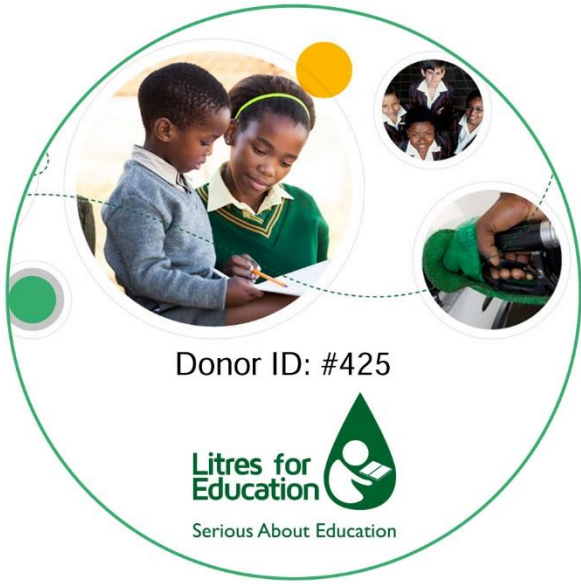

## HOW DOES IT WORK?

Join the Litres for Education Initiative **at no cost**, and by choosing to fill up at selected petrol stations, the garages will donate *10c per litre of fuel* to our work.

## WHAT DO I NEED TO DO?

1. Register on the litres for education website for free as a donor motorist - <http://litresforeducation.co.za/register/>
2. Fill in your name and email, and select "African Conservation Trust – Pietermaritzburg" as a beneficiary.
3. Once you have submitted your details, you will be given a pdf with a donor ID Number –this allows you to keep track of how much you have donated over the year.
4. Print out the round donor disc for African Conservation Trust on page 2 of this document and take it with you to the participating service stations.
5. Make sure the attendant notes the code **(#425)**.
6. A list of all the participating garages can be found on the Litres for Education website: <http://litresforeducation.co.za/>

**NOTE:** To donate to Project Rhino's activities, use the donor ID **#712** instead of **#425**.

Donor ID: #425
